## Employment

- June 2021- Present **Phase Zero Design | Architectural Designer | Hingham, MA**  
Working on the commercial, multi-family housing, and hospitality team as an architectural designer to coordinate with clients and engineers, while participating in the pre-design and schematic phases. Conducting preliminary code review, including ADA, local zoning compliances, and permit applications. Sketching facade and programming options, with massing studies at various stages through a multiplicity of mediums.
- Spring-Summer 2020 **DMS Design | Architectural Co-Op | Peabody, MA**  
Working in multi-family housing primarily in the construction document phase. Focusing on AutoCAD with some Revit. Sections from building scale to detail scale, in addition to code analysis were typical.
- Fall 2019- Spring 2020 **Tappé Architects | Part-Time Designer | Boston, MA**  
Starting in academic and shifting to library design. Tasks were entirely Revit, consisting of creating existing conditions, with interior changes.
- Summer 2019 **Phase Zero Design | Architectural Co-Op | Hingham, MA**  
Tasks included rendering in the Adobe Creative Suite, editing and creating Auto-CAD and Revit drawings for existing and new projects. Choosing finishes and sample pallets for corporate interior designs.
- Spring 2018 **MIT | Assistant Project Manager | Cambridge, MA**  
Review and catalogue drawings, understanding submittals, create signage, and creating a tour pamphlet. Most tasks were completed using Blue Beam and the Adobe Creative Suite.
